

Pack Resource Guide

2021 Fall Round-up

BOY SCOUTS OF AMERICA®
CHESTER COUNTY COUNCIL

A message from **Brad Roberson, Council Membership Chairman:**

Welcome Pack Leaders to another recruiting season. As we transition to a post-pandemic environment, we will continue to keep safety first, not only in our Join Scouting Nights but in everything we do.

Families that are interested in what Scouting offers their children (as well as their entire family) want to join a Pack near their school, church, or neighborhood. They are looking to great Packs like yours to provide the fun learning opportunities that make up the Cub Scout experience.

This Pack Resource Guide is the result of the combined efforts of the Membership Committee. We believe that your Pack will be best positioned to meet this year's recruiting challenges by following the plan laid out and making use of these resources. If you need anything to maximize your Pack's recruiting efforts, please reach out to your District Executive or me and we will do our best to help you succeed.

Brad Roberson

2021 Key Dates

- Membership Kickoffs: August 9 (Horseshoe Trail), August 10 (Octoraro), August 12 (Diamond Rock)

How your pack can help to recruit new youth members

1. Update your BeAScout pin.

Pack leadership visits www.beascout.org and under organization security manager, checks fields for accuracy.

2. Work with the other packs within your school district

- Ensure that all elementary schools have a presence at Back to School/Open House events
- Distribute flyers (electronic or digital) to each school in your area.
- Be sure that everyone's information is updated at www.cccbsa.org/join

3. Scouts and parents recruit their friends to join

- Advertise these joining dates in parent and child friend groups.
- Peer to peer and Parent to parent recruiting is the most effective.

4. Get the word out in your community

- Peer to peer invitations
- Church bulletins
- Yard signs
- Door hangers
- Social media
- Electronic message signs – Firehouses, schools, libraries, etc.
- Customized flyers

5. Host your own pack Join Scouting Night in September or October.

- Invite all families from your prospect list
- Direct folks you met at school and community events to this event.
- Be clear about the fees for joining.
- Publish a calendar of activities the pack has planned.
- Use the family guide to best orient families.

Pack Join Scouting Night Expectations

Applications are completed. Get an application from everyone, even if they don't pay. It will be one less thing they must complete later and allow the Pack to have the family's information to invite them back. You can use BeAScout.org to collect registrations and payments. These require nothing to turn in to the council and will update to your records in 24 hours.

Payment is collected. If someone doesn't pay that night, ask the Pack treasurer to pay their registration and get reimbursed later. This prevents the youth from never getting registered if they try to pay at a Pack meeting where the leaders are busy and there are lots of distractions. If you are collecting money at the event and not using BeAScout.org, have a way for parents to pay with credit or debit.

Sign in sheets are used. They should have email and phone numbers for new Scouts/parents. This allows the leaders to contact everyone and invite them back. Sign in sheets are effective ways to have back up data. BeAScout.org also has a built-in sign in sheet for you to collect this information and easily send pack-specific applications to families instantly.

Agenda – Pack Join Scouting Night

Hold your Join Scouting Night as a come-and-go event, which are strictly sign-up events. These are faster for today's busy parents. The key to making them successful is preplanning. The following is an outline of how to execute this type of event.

This model features five stations that give parents information about Cub Scouting, get them signed up, and provide everything they need to know, including when the first meeting is, who the leaders are, and more.

Sign-Up Night Stations *(see next page for an outline of each station)*

- **Station 1:** Welcome/Sign In
- **Station 2:** What We Do
- **Station 3:** Registration Form
- **Station 4:** Check Out (complete applications)
- **Station 5:** Den Leader Q&A

After the Sign-Up Event Is Over

Turn in the applications and money. Unit leaders should review and complete applications after the Join Scouting event. Applications, registration fees, and one copy of the attendance roster are to be turned in to the district executive shortly after the event.

Welcome your new families and members. Don't wait! Be sure to invite all families to first-night den and pack events the very next week. These meetings are a chance to make a great first impression, have fun, and involve new parents in the life of the pack. Den leaders should make welcome phone calls to the parents of the new Cub Scouts and/or send welcome email messages with meeting dates, location, pack calendars, and any other important information.

Follow up with those families who did not sign up. This is where the sign-in sheet comes in handy. Check your applications against the sign-in sheet and call those families that did not join. Address any concerns the person may have and offer to drop an application by their home or invite them to the first meeting or your council's recruiting event so they can see Cub Scouting for themselves.
